

If You are 50 Years or Older, Ask your Doctor about Colorectal Cancer Screening!

**If you have one or more
close relatives with
colon or rectal cancer or
pre-cancerous polyps, talk
with your Doctor about
earlier screening!**

**Ask your Doctor how
to screen**

**Medicare and most
insurance policies
cover screening**

These recommendations are supported by
the following organizations:

The American Medical Association
American Academy of Family Physicians
American Cancer Society
American College of Physicians
American College of Radiology
American College of Surgeons
American Society of Clinical Oncology
National Medical Association
American College of Gastroenterology
American Gastroenterological Association
American Society of Colon & Rectal Surgeons
Society of American Gastrointestinal
Endoscopic Surgeons
American Society for Gastrointestinal
Endoscopy

Si usted tiene 50 años o más, ¡Pregúntele a su Médico si debe ser estudiado para saber si tiene cáncer del colon!

Si usted tiene uno o más parientes cercanos que tienen cáncer o pólipos pre-cancerosos en el recto o el colon

Pregúntele a su Médico sobre los estudios para detectar el cáncer en una etapa temprana

El Medicare y la mayoría de los seguros médicos cubren estos estudios
